The year 2006 marks the 75th anniversary of the Salt Lake Art Center. We hope you join us in celebrating the gallant and generous spirit of forward-looking individuals who founded the Art Center and have served over the years as custodians of contemporary art in Salt Lake City and the State of Utah.

This selection of artwork has been donated by artists for a silent auction to be conducted during **BOLD, BAD & DANGEROUS**, this year's annual fundraising event, scheduled for June 10. All but one of these artists have exhibited at the Art Center - from near (*Anna Campbell Bliss, Madelyn Garrett, Tony Smith*) and far (*Chester Arnold, Kazuo Kadonaga, Stephanie Wilde*), and from the past, into the future.
