

Post Masters

Women's Health NP or Nurse Midwifery

Do you :

- already care for women in your practice?
- want a deeper knowledge base about women's health?
- work in a practice where your pregnant patients want you to attend their births?
- need to continue to work if you returned to school?
- want to be a Nurse Midwife or a Women's Health Nurse Practitioner?

**If you answered "Yes" to any or all -
then a Post Master's Certificate from
the University of Utah College of
Nursing is what you NEED**

- Currently accepting applications for Fall 2010
- Individualized Program of Study
- In about 3 to 4 Semesters
