What we're looking for on these sections:

Leadership Interest: Select what type(s) of positions for which you would like your record to be considered. If you don't see a selection, please enter your response in "Other".

Professional Experience: Select areas in which you have high sector, industry and functional (e.g., marketing, operations, etc.) knowledge and competence. If you don't see a selection, please enter your response in "Other".

Community Service: Select service positions in which you have a demonstrated track record of results. If you don't see a selection, please enter your response in "Other".

Personal Leadership Statement: You may cut and paste into the box provided your "commercial" - a brief statement that summarizes: a) your leadership expertise, b) your professional, industry, and volunteer experience and competence, and c) how you create value (results) within the organizations with which you are associated and the community at large.

Political Affiliation: If you want to be considered for a government commission and perhaps other government roles, you will need to make a selection in this field besides "Other". Ethnicity may also be required for diversity reasons.
