

CITY OF HOOD RIVER PLANNING APPLICATION INSTRUCTIONS

1. The attached application is for review of your proposed development as required by the Hood River Municipal Code (“Code”). Review is required to make sure that your proposal complies with the applicable provisions of the Code and that there are adequate capacities of public facilities to meet the needs of your development.
2. Prior to filing your application you may be required to attend a pre-application conference with the Planning Department staff to discuss the requirements that your proposal will be required to meet, and what you will need to submit with your application to make it complete.
3. Once you have prepared and submitted your application, the application will first be reviewed for completeness. Completeness is based upon the requirements of State law (ORS 227.178) and the requirements in the Code for your development proposal. It is the applicant’s responsibility to provide persuasive evidence that the application complies with the approval criteria and applicable standards. Refusal to submit all or some of the missing information could result in a denial of the application.
4. When you are ready to submit your application, you may send it in to the Planning Department at P.O. Box 27, Hood River, OR 97031, or present it in person at the Planning Department at 301 Oak Street, Hood River, OR 97031. The following *must* be included in your application packet:
 - Completed application form
 - All required materials listed in the application form
 - Application fee
 - Appropriate number of copies of application and all support materials

If you have any questions about this process, please call the Planning Department at (541) 387-5210. Application forms, the City’s Code, public hearing timeline, and other useful information are available at the Planning Department’s website: <http://www.ci.hood-river.or.us/planning.html>

5. If the Planning Department determines that your application is “incomplete,” you will be informed in writing and provided with a list of missing or incomplete materials and options for completing the application. Incomplete applications become void 181 days after submittal.
6. If the Planning Department staff determines that an application is complete, the Planning Department will inform you that the application is “complete,” and the review process will begin. Review of your application may be administrative, with no public hearing, or it may be quasi-judicial, with a public hearing. For quasi-judicial review, applicants *are required* to attend the public hearing. All decisions on applications are subject to appeal.

CITY OF HOOD RIVER URBAN GROWTH AREA SEWER AND WATER SERVICE INFORMATION AND APPLICATION PACKET

Who is this packet for? If you own property in the Urban Growth Area (UGA), and plan to hook up to City of Hood River sewer and/or water service, this packet is for you.

Does the City of Hood River provide sewer and water service in the UGA? The City can provide both services in the UGA. However, the City may not be able to provide water service to your property if you are in the Ice Fountain Water District. You will need to contact Ice Fountain first if you are in their district.

Do I have to connect to sewer in the UGA? If your property is within 300 feet of a City sewer line, state law requires connection (OAR 340-071-0160(A)(i)). There are very few properties in the UGA that do not meet this requirement.

How do I request connection to City water and/or sewer? Fill out the enclosed application form.

Will I have to be annexed to the City before I can receive water and/or sewer from the City? If your property is contiguous to City limits, annexation will probably be required as a condition to receiving water and/or sewer service from the City. If annexation is not required, or if your property is not contiguous to City limits, you will be required to execute and record a Consent to Annexation as a condition to receiving water and/or sewer service.

If my property is located in the Ice Fountain Water District, will it be withdrawn from the District upon annexation? It is the City's policy to be able to provide all services, including water, to a property it annexes. Therefore, it is the City's policy not to annex unless the property can be withdrawn from Ice Fountain. However, in order for the City to withdraw the property from the District, the City must compensate the District under state law. If your property is located in the Ice Fountain Water District, whether or not it is receiving service from the District, the City will contact the District to determine the cost of withdrawing your property from the District upon annexation.

Who will provide irrigation water if my property is annexed? If you are connected or connecting to City water, you may use City water for irrigation. However, at this time, the City does not provide irrigation water at reduced rates. If you are a Farmer's Irrigation customer, you will need to contact them about service in the City limits.

If my property must be annexed before it can be hooked up to City sewer and/or water, how does that process work? Your completed application (attached) constitutes a request for annexation. Upon receipt of your application, the City staff will determine whether annexation or execution of a Consent to Annexation is required for hooking up. If annexation is required, the City Council is required to address the annexation at at least one meeting and pass an annexation ordinance. You should expect the annexation process to take approximately 8-12 weeks.

How much does this cost? Contact the City Planning Department for current fees.

Where do I submit the application? Submit completed application, fee, and *appropriate number of copies* to the City Planning Department, 301 Oak St., P.O. Box 27, Hood River, OR, 97031.

**CITY OF HOOD RIVER APPLICATION
ANNEXATION REQUEST and REQUEST for CONNECTION to CITY of
HOOD RIVER SEWER and/or WATER SERVICE**

Submit the completed application **WITH TWELVE (12) ADDITIONAL COMPLETE COPIES** and appropriate fees to the City of Hood River Planning Department, 301 Oak Ave. (P.O. Box 27), Hood River, OR 97031. Please note the review criteria attached to this application. If you have any questions, please contact the Planning Department at (541) 387-5210.

APPLICANT:

Name: _____

Address: _____
(physical) _____

(mailing) _____

(email) _____

Telephone: _____ Cell Phone: _____

Signature: _____

PARCEL OWNER: (if different than applicant)

Name: _____

Address: _____
(mailing) _____

Telephone: _____ Cell Phone: _____

Signature: _____

****Authorization of parcel owner required.***

Is this a health hazard request for sewer connection? YES NO

If yes, Explain: _____

ADDITIONAL PARCEL INFORMATION

Please submit the following information with your completed application:

1. Assessor map (tax lot map) showing the location of your parcel.
2. For contiguous parcels, a copy of the most recent deed to your property with complete legal description.
3. Addresses of all dwellings and/or businesses located on the parcel and names, addresses, and ages of all residents and whether they are registered voters.

REQUEST

Sewer Service _____

Water Service _____

In connection with this request to hook up to and receive water and/or sewer service from the City of Hood River, I/we hereby petition the Honorable Mayor and City Council of Hood River for annexation of the above-described property. I/we further desire that by this petition, the above-described property be annexed to and included within the corporate limits of the city of Hood river, Oregon, a municipal corporation, and I/we do hereby consent to such annexation without the necessity of any election being called within the area above described or a public hearing being held pursuant to ORS 222.125, and I/we do hereby consent to the City of Hood River taking such steps a necessary to determine whether or not the above-described property shall be annexed.

If the City determines that the above-described property is to be annexed, at least 51% of the electors residing on the property will be required to sign a Consent to Annexation in order to complete the annexation process.

If the City determines that the above-described property will not be annexed at this time, the property owner(s) will be required to execute and record a Consent to Annexation prior to connection to city water and/or sewer.

17.15.070	Evaluation Criteria – Fiscal Impact
17.15.080	Evaluation Criteria – Urban Services Capabilities
17.15.090	Staff Analysis

17.15.010 Introduction

It is the policy of the City of Hood River to promote orderly, efficient, and fiscally responsible annexation of territories in conjunction with urban growth or expected or desired urban growth within the urban growth area. Accordingly, the City shall annex property where

1. The proposed annexation represents the natural extension of the existing City boundary consistent with urban growth;
2. The proposed annexation would not, when developed or as developed, unreasonably limit the ability of the City to provide a level of services to City residents consistent with community needs and the financial capabilities of the City, as determined by the City;
3. The proposed annexation would not cause the City to pledge extension of services beyond its resources so as to result in a deficit operation of the service;
4. The proposed annexation would serve the interests of the entire community and not solely the interests or convenience of those within the territory proposed to be annexed.

17.15.020 Application and Process

An annexation may be proposed by the City of Hood River, landowners, or a group of residents and shall include the following elements:

1. Preliminary plans and specifications, drawn to scale, showing the actual shape and dimensions of the property to be annexed and the existing and proposed land uses and residential density. City and County zoning in the proposed territory, as shown on a vicinity map, and contiguous lands must also be indicated.
2. Comprehensive statement of reasons in support of the annexation addressing the applicable annexation criteria.
3. Completed certifications of property ownership, registered voter status, map, and legal description.

17.15.030 Filing Fees

Fees for filing for annexation requests shall be set by City Council resolution.

17.15.040 Planning Commission Review

The Planning Commission shall review the application in a public hearing and forward a recommendation with findings to the City Council who will conduct a public hearing according to the *Quasi-Judicial Hearing Procedures* or *Legislative Hearing Procedures* (Chapter 17.09), whichever is applicable.

17.15.050 Evaluation Criteria – Developed Land

Prior to approving a proposed annexation of developed land, affirmative findings shall be made relative to the following criteria:

1. The territory is contiguous to the city limits and within the Urban Growth Area;
2. The annexation represents the natural extension of the existing City boundary to accommodate urban growth;
3. The development of the property is compatible and consistent with the rational and logical extension of utilities and roads to the surrounding area;
4. The City is capable of providing and maintaining its full range of urban services to the territory without negatively impacting the City's ability to adequately serve all areas within the existing city limits;
5. The fiscal impact of the annexation is favorable, as determined by the City of Hood River because of existing development;
6. The proposed annexation does not negatively impact nearby properties, whether located within the city limits or the urban growth area; and
7. The annexation conforms to the Comprehensive Plan.

17.15.060 Evaluation Criteria – Undeveloped Land

Prior to approving a proposed annexation of undeveloped land, affirmative findings shall be made relative to the following criteria:

1. The territory is contiguous to the city limits and within the Urban Growth Area;
2. The annexation represents the natural extension of the existing City boundary to accommodate urban growth;
3. The annexation of the territory is compatible and consistent with the rational and logical extension of utilities and roads to the surrounding area;
4. The City is capable of providing and maintaining its full range of urban services to the property without negatively impacting the City's ability to adequately serve all areas within the existing city limits;
5. The fiscal impact of the annexation is favorable, as determined by the City of Hood River, either upon approval or because of a commitment to a proposed development, unless the City determines that a public need outweighs the increase;
6. The annexation meets the City's urban growth needs, and it is to the City's advantage to control the growth and development plans for the territory; i.e., to be able to address the issues of traffic, density, land use, and the level and timing of necessary facilities and services;
7. If the criteria in 17.15.060 (6) does not apply, the annexation provides a solution for existing problems resulting from insufficient sanitation, water

service, needed routes for utility or transportation networks, or other service-related problems;

8. The proposed annexation does not negatively impact nearby properties, whether located within the city limits or the urban growth area; and
9. The annexation conforms to the Comprehensive Plan.

17.15.070 Evaluation Criteria – Fiscal Impact

The following factors are to be taken into consideration when determining fiscal impact for both developed and undeveloped land and may include, but are not be limited to:

1. The additional revenues, if any, available to the City as a result of the annexation;
2. Whether any unusual or excessive costs will be incurred as a result of the annexation; and
3. The impact on the City's tax base, if any, as a result of the annexation.

17.15.080 Evaluation Criteria – Urban Service Capabilities

1. The municipal service needs, if any, of the territory to be annexed, including those of police and fire protection, public sewer and water supply facilities, street improvement and/or construction, and such other municipal services as may reasonably be required. Both short term and long term plans for all services shall be addressed.
2. The projected costs of supplying reasonably needed municipal services to the territory proposed to be annexed.

17.15.090 Staff Analysis

In order to assure that the Planning Commission and the City Council, prior to action upon a proposal for annexation, are fully informed as to the potential impacts of the annexation on both the City and the territory proposed to be annexed, the City Planning Department shall provide a staff report addressing the above criteria.
