

CITY OF HOOD RIVER PLANNING APPLICATION INSTRUCTIONS

1. The attached application is for review of your proposed development as required by the Hood River Municipal Code (“Code”). Review is required to make sure that your proposal complies with the applicable provisions of the Code and that there are adequate capacities of public facilities to meet the needs of your development.
2. Prior to filing your application you may be required to attend a pre-application conference with the Planning Department staff to discuss the requirements that your proposal will be required to meet, and what you will need to submit with your application to make it complete.
3. Once you have prepared and submitted your application, the application will first be reviewed for completeness. Completeness is based upon the requirements of State law (ORS 227.178) and the requirements in the Code for your development proposal. It is the applicant’s responsibility to provide persuasive evidence that the application complies with the approval criteria and applicable standards. Refusal to submit all or some of the missing information could result in a denial of the application.
4. When you are ready to submit your application, you may send it in to the Planning Department at P.O. Box 27, Hood River, OR 97031, or present it in person at the Planning Department at 301 Oak Street, Hood River, OR 97031. The following *must* be included in your application packet:

5. If the Planning Department determines that your application is “incomplete,” you will be informed in writing and provided with a list of missing or incomplete materials and options for completing the application. Incomplete applications become void 181 days after submittal.
6. If the Planning Department staff determines that an application is complete, the Planning Department will inform you that the application is “complete,” and the review process will begin. Review of your application may be administrative, with no public hearing, or it may be quasi-judicial, with a public hearing. For quasi-judicial review, applicants *are required* to attend the public hearing. All decisions on applications are subject to appeal.
