

MoM's To Do List

Prior to the **Museum on the Move (MoM)** visit each teacher should receive a copy of this along with a copy of the confirmation letter!

For your classroom:

- Stations can be made by pushing desks together or using tables.
- Stations should be cleared of **all** other objects (including computers).

Classroom arrangement:

For your students:

- The pre-visit activities are **essential** and will prepare students to be scientists!

http://centralpt.com/upload/407/10216_FactsandInferences.pdf
- Divide students into 5 groups
- Assign a strong reader for each of the 5 groups
- Each student will need pencil, paper, legible nametag

For you:

Your assistance and participation is expected and valued!

- Do the pre-visit activity!
- Help us evaluate!
- **Be engaged!**
 - o Model scientific attitudes and interests
 - Ask students questions
 - Challenge assumptions
 - Encourage observation
