WHY PKF?

PKF is one of the premier CPA firms in California, with offices in the San Diego, San Francisco and Los Angeles areas. Our firm has over 70 professional staff, many of whom are experienced managers formerly with Big 4 accounting firms. PKF is a member of PKF International, a highly ranked worldwide association of 230 legally independent firms with over 400 locations in 120 countries.

SERVICE STRATEGY

The Directors and staff at PKF understand and focus on your key issues and are committed to providing personalized service and advice. You will be working with a team of dedicated and knowledgeable professionals who have years of experience working with healthcare organizations and are able to provide a wide range of accounting, tax and consulting services.

The nation's healthcare system is in a profound transformation driven by rising prices, pressure on public and private budgets, regulatory changes, and scientific and technological change. These forces are prompting major changes in the structure, organization, financing and delivery of health care. The healthcare system today is not what it was yesterday and certainly is not what it will be tomorrow. Only those prepared to meet the challenges of this complex and ever changing environment will thrive. PKF's Healthcare Services Group can help you do just that.

Our team delivers an extensive array of services and provides operational and financial guidance for you and your organization. The combination of experience, service and results you will find at our firm is unparalleled in the industry. Our extensive background in healthcare finance and practice operations has enabled us to develop the sophisticated management concepts that organizations require to move ahead and stay ahead.

To ensure that we continue to provide a sound understanding of key business issues affecting healthcare operations, as well as providing direction and solutions to these issues, we have designed our firm structure to create specialists who understand the unique needs of various healthcare organizations.

SERVICES WE CAN OFFER

Today's healthcare organizations face many unique financial and management challenges, including the current economic crisis plaguing a vast majority of businesses, regulatory pressures and new policy debates, decreasing insurance reimbursement rates, evolving managed care policies, and added board responsibilities.

Relying on our experience and knowledge in solving these types of issues, PKF provides solutions that are timely, accurate and reasonably priced. Let our team of professionals assist you with the following services:

Assurance

- financial statement audits, reviews and compilations
- employee benefit plan audits
- compliance audits including A-133 and yellow book
- internal control reviews
- agreed upon procedures
- forecasts and projections
- forensic studies
- mergers and acquisitions

Tax

- tax reduction strategies
- cash flow improvement analysis
- balance sheet planning and strengthening
- Not-for-profit expertise
- develop compliance strategies
- quarterly and annual tax returns
- Research and experimentation

QUALIFICATIONS

We have a dedicated group of professionals that understand the complexities of healthcare organizations. These practitioners serve both for-profit and not-for-profit clients and can provide high quality audit and tax services as a cohesive unit, maximizing overall efficiencies.

Few healthcare consulting firms have the unique combination of extensive experience in both healthcare finance and operations that you will find at PKF.

Our aim is to form a supportive relationship with you to deliver long-term value. We believe you deserve to speak directly to a Director when you need to and to have your issues dealt with promptly. When you have a problem we aim to find practical solutions that satisfy both trustees and executive management.

PKF of California is a regional accounting and auditing firm that prides itself on providing well developed strategic assistance and compliance to its clients. Drawn from across the entire business spectrum, our clients range from small owner-managed enterprises to transnational companies.

Being unrestricted by the size of a client allows us to deliver tailored solutions backed by years of experience of advising clients that operate on a local, national, regional or global level.
